

The **Credit Union Development Programme** is designed to help Credit Union Directors and Supervisors gain a better understanding of their statutory obligations and provide them with the necessary skills to lead the Credit Union of the future. The Saturday Programme is run over a two month period with each participant required to attend 5 full Saturday classes and to work on assignments and project work in between sessions. Participants will receive a DCU Ryan Academy certificate on the successful completion of the full programme and participants who are successful at the FETAC Exam will receive a DCU Ryan Academy certificate and FETAC Level 6 minor award in Corporate Governance.
